Subject: Well Transfers

To Whom It May Concern,

We have approved the transfer 142 of the wells listed from SCOUT ENERGY MANAGEMENT LLC (23138) to MID-CON ENERGY OPERATING, LLC (23271). 17 wells were not transferred because of these reasons:

- 1 was on the wrong form. It was an injection well.
- 3 has the wrong API numbers.
- 13 not under Scout Energy Operating, LLC.

Images of the approved forms will be available online in the next few days

Sincerely,
Romonda James
