To Whom It May Concern,

We have approved the transfer of 307 wells on the attached list, from Breitburn Operating LP (23249) to Urban Oil & Gas Group LLC (22756). The lined through wells were not transferred.

I lined through one well: 051-21887, Bentley (RSMU #8-24) 24-A, 24-4N-8W This well is an injection well and needs to be on form 1073I.

The 7 wells listed below are terminated injection wells. Urban Oil & Gas will need to file 1002A's within 30 days showing the current status.

015-36602
