To Whom It May Concern,

We have approved the transfer of 96 wells on the attached 1073MW from Four Star Oil & Gas Co (20942) to Pantera Energy Company (13620).

There are 2 wells that are lined through and were not transferred. One well is plugged. We do not transfer plugged wells. The other one was originally on Chevron (913) and was transferred to Pantera (13620) on 2-9-2017.

Sincerely,
