To Whom It May Concern,

Merry Christmas. We have approved the transfer of 127 wells on the attached list from EOK Operating LLC (23817) to Circle 9 Resources LLC (2329). I corrected 3 API numbers and they are noted on the list.

Circle 9 will need to file amended 1002A forms showing the current status for the 3 TM (terminated injection) wells that are noted within 30 days.

Circle 9 will also need to file a 1002A within 30 days for 3008123626 (on pg 3). It appears that a 1002A was never filed for this well.

Sincerely,
Janie Hlinicky
