Subject: Mass Well Transfer
Attachments: Great Western mass transfer_01242017.pdf

To Whom It May Concern,

We have approved the transfer of 10 wells on the attached 1073MW from Great Western Drilling Company (885) to Clay Moore (5811). I corrected one API number and it is noted on the spreadsheet.

Clay Moore will need to file an amended 1002A for the SE Needmore Bartlesville Unit #11-6, API 3502721108 showing the correct location within 30 days. The footage calls and the spot location do not match up.

Sincerely,
Janie Hlinicky
