TOWNSHIP 4 SOUTH, )  
RANGE 5 EAST, )  
JOHNSTON COUNTY, OKLAHOMA )

**APPLICATION**

COMES NOW Applicant and shows the Honorable Corporation Commission as follows:

1. Parties: Applicant, XTO Energy Inc., 810 Houston Street, Ft. Worth, TX 76102, is the owner of oil and gas leasehold interests within the lands described in the caption hereof. The Respondents to this Application are shown on the Exhibit "A" attached hereto.

2. Allegation of Facts:

a. By Order No. 569970, dated September 1, 2009, this Commission designated Section 30, Township 4 South, Range 5 East, Johnston County, Oklahoma, as a 640-acre drilling and spacing unit for the Woodford common source of supply.

b. The well pattern and density prescribed by said Order are not adequate when taking into consideration the changed conditions which now prevail as compared to conditions known when such well pattern and density were first ordered. It is now necessary to drill four additional wells on said unit in order to effectuate the maximum recovery of hydrocarbons from said common source of supply. In order to prevent waste and protect the correlative rights of the parties in the reservoir, Applicant should be allowed to drill four additional wells on said unit.

c. There is one well on the above-described land currently producing from the above-named common source of supply.

d. The four additional wells requested by Applicant are necessary effectively and efficiently drain a portion of the common source of supply (reservoir) covered by the drilling and spacing unit established by said Order which cannot effectively and efficiently be drained by any existing well within said drilling and spacing unit.

3. Legal Authority: Title 52, Section 87.1, O.S.

4. Relief Sought: Applicant requests that the Order described above be amended to authorize four additional wells on the unit comprised of Section 30, Township 4 South, Range 5 East, Johnston County, Oklahoma, to test the Woodford common source of supply, and that Applicant or some other party be designated as Operator of such wells.

WHEREFORE, Applicant prays that after notice and hearing as required by law, the Order amending said Order authorizing four additional wells on the above-described unit be issued.

Respectfully submitted,
