(619) 677-3956

(405) 232-9000

Respondents: All parties shown on Exhibit "A" hereto, which is incorporated herein and is a part hereof by reference, and their heirs, successors and assigns.

2. Allegation of Facts:

a. That heretofore, by an Order to issue in Cause CD No. 201207840, this Commission established 640-acre horizontal drilling and spacing units for the Mississippian, Woodford and Hunton common sources of supply underlying Section 20, Township 17 North, Range 3 West, Logan County, Oklahoma.

b. That Applicant is requesting an exception to the above described Order to allow the drilling and production from the common sources of supply named above on the lands described in the caption above with the permitted well to be located as follows:

Surface Location: 200 feet from the South line and 660 feet from the West line of Section 20, Township 17 North, Range 3 West, Logan County, Oklahoma.

**Completion Interval:** (Proposed Open Hole)

**Point of Entry:** Not closer than 200 feet from the South line and not closer than 660 feet from the West line of Section 20, Township 17 North, Range 3 West, Logan County, Oklahoma.

**Terminus:** Not closer than 200 feet from the North line and not closer than 660 feet from the West line of Section 20, Township 17 North, Range 3 West, Logan County, Oklahoma.

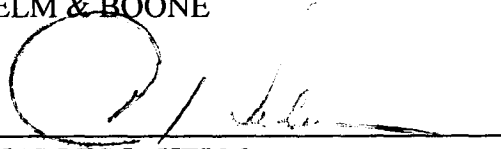

That said location is the optimum to effectively and efficiently produce from the various potential horizons.

3. **Legal Authority:** Title 52, Section 87.1, O.S.
4. **Relief Sought:** Applicant requests that it be allowed to drill and produce said well at the above described location from all common sources of supply covered hereby without any downward allowable adjustment, and that the Order designate the Applicant or some other party as operator of the unit well.

WHEREFORE, Applicant prays that, after notice and hearing as required by law and the Rules of the Commission, the well location and allowable as requested by Applicant be permitted.

Respectfully submitted,

HELM & BOONE
