PUBLIC COMMENT

[if IEMobile 7]> <style type="text/css"> </style> <![endif]

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Barbara Perkins

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Robert Speikers

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

[if IEMobile 7]> <style type="text/css"> </style> <![endif]

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Mary Bolack
1701 s. 138th east ave

I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Mary Stone

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

John Deiter

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Cindy Llewellyn

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Joseph Herbert
1821 NW 82ND ST APT 1505

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Marcia Foster

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Elisabeth Harrington

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Patricia Wade

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

JANCY GARRISON

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Johnny Vinson

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Stephanie Sorrels

Dear Ms. Murphy

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Mckinley RayJr

I just learned that PSO's Texas affiliate charges its customers a fixed monthly fee of \$4.79 while PSO charges four times as much here in Oklahoma! How did this happen? I need your help to win this Red River Rivalry. Oklahomans should not have to pay PSO four times as much as our neighbors to the south. I am asking that you cut this fee.

With the cost of health care, gasoline and groceries skyrocketing, those of us on a fixed monthly income are being asked to tighten our belts. I want you to ask PSO to do the same.

It is outrageous that PSO is taking advantage of Oklahomans with a fixed monthly fee four times more than they charge Texas customers. In fact, PSO charges more in a fixed fee than any other PSO affiliate across the country.

Please take action today to cut this fee and stop PSO from taking advantage of us. Please lower PSO's fixed monthly fee, give us more control over our bills and help your friends and neighbors during this difficult time.

Sincerely,

Flordia Shaw

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors and families impacted by COVID-19 across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors and families are forced to choose between food, medicine and electricity. Large businesses like PSO was not effected by COVID!!!! Everyone still had to pay their electric bill and now that people in Oklahoma are just trying to get back to a semblance of normality they raises their prices for more profit. We are forced to pay their bill no matter the circumstances or they turn off the persons electricity. In fact, our electric bill is already at least \$100 more a month. PSO is a legal monopoly. Is there any other electric company in SW Oklahoma that a family can purchase electricity. We have no choice!!!! Since we all have to have electricity to be able to go to work they should not be allowed to make a profit and should be transparent. Since we have no choice in who we select to purchase electricity from PSO should be a nonprofit organization and always attempt to provide its customers the lowest price. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Johnny Duncan

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Marla Mitchell

[if IEMobile 7]> <style type="text/css"> </style> <![endif]

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Oran Heath

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Cornelius Gentles

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

FERNANDO LEY

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Joe Stephens

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Stephen Mashburn

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Tammy Jackson

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Andranez Williams
1218 West Queen Street
Tulsa OK, 74127-2502

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Cheryl Kaiser

[if IEMobile 7]> <style type="text/css"> </style> <![endif]

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are struggling. I live in a small, but very old, poorly insulated rental home. I'm on the monthly average pay plan & I pay more than \$170 per month to PSO. I shouldn't be required to cut back on groceries & medicine so these out of state investors can get their dividends! I'm not alone! Too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Gerald Berry
PO BOX 450118
GROVE OK, 74345-0118

Dear Commissioner,

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Sincerely,

Angel Parent-Perez

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Karen Hall

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Jocelyn Edwards

I don't believe any more than a 10% increase in prices for one year should be allowed (with prices reverting back to 2020 prior prices) for the February 2021 Winter Storm.

I agree that a price increase is needed but prices clearly exceeded the price gouging limits mentioned in the attached Oklahoma Attorney General's email notification of February 15, 2021. I also believe I read that there would be people prosecuted for price gouging even though the securitization bill was passed however, I have not yet heard of any charges nor would I expect any. I think you should push that all statutes be enforced in order to maintain some integrity of the Oklahoma Corporation Commission. The Commission was slow to react in the Earthquake - Disposal Well link, please question this increase prior to allowing a non gouging increase.

It is real frustrating that my guess is that prices will increase for many years when prices during that week clearly exceeded any reasonable prices and should not have been allowed.

I appreciate the Oil and Gas Industry, I just feel they should follow the same laws as other industries are supposed to follow.

PRESS RELEASE | Attorney General Hunter Reminds Oklahomans Price Gouging Statute in Effect Statewide with Ongoing State of Emergency

Subject: PRESS RELEASE | Attorney General Hunter Reminds Oklahomans Price Gouging Statute in Effect Statewide with Ongoing State of Emergency From: "Oklahoma Attorney General's Office"

<OKAG@public.govdelivery.com> Date: 2/15/2021, 10:03 AM To: jabak27@gmail.com MIKE HUNTER ATTORNEY GENERAL OF OKLAHOMA FOR IMMEDIATE RELEASE February 15, 2021 Attorney General Hunter

Reminds Oklahomans Price Gouging Statute in Effect Statewide with Ongoing State of Emergency OKLAHOMA CITY – Attorney General Mike Hunter today is reminding Oklahomans looking to do business in the state that the price gouging statute is in effect statewide with the ongoing state of emergency due to the winter weather that continues to impact the state. The Emergency Price Stabilization Act, also referred to the state price gouging statute, prohibits an increase of more than 10% for the price of goods or services after a declared emergency. The statute automatically triggers after the issuance of a state or federal emergency declaration. Attorney General Hunter said the statute allows his office to pursue charges against individuals or businesses that engage in price gouging. “The majority of Oklahomans typically look to help their neighbors in times of need, including times of emergency like we are experiencing with the frigid weather,” Attorney General Hunter said. “However, there are some that look to benefit and seen opportunity when others are struggling. I want to warn those looking to gouge unsuspecting Oklahomans by making them pay exorbitant prices for goods or services that they will face charges if an investigation proves they are in violation of the state’s price stabilization act. While record cold weather continues to impact our state, I encourage Oklahomans to pay attention and not pay inflated prices if they encounter them.” For more information or to report a complaint, individuals are encouraged to contact the Attorney General’s Consumer Protection Unit by phone at (405) 521-2029, or email at consumerprotection@oag.ok.gov.

PRESS RELEASE | Attorney General Hunter Reminds Oklahomans Pri... 1 of 2 9/14/2021, 1:02 PM With record cold temperatures, and more snow in the forecast, officials are encouraging people to stay home. If individuals need to travel, they can check road conditions with the interactive map provided by the Oklahoma Department of Transportation, here: <https://bit.ly/3jXMhZ9>. Also, check local news services for closings and cancelations. ### MEDIA CONTACTS: Alex Gerszewski, Communications Director Office: (405) 522-3116 Cell: (405) 250-9230 Email: alex.gerszewski@oag.ok.gov Ashton Johnston, Press Secretary Office: (405) 522-1863 Cell: (405) 534-0545 Email: ashton.johnston@oag.ok.gov Stay Connected with Oklahoma Attorney General Mike Hunter Facebook - Twitter - Website This email was sent to jabak27@gmail.com using GovDelivery Communications Cloud on behalf of: Oklahoma Attorney General's Office · 313 NE 21st Street · Oklahoma City, OK 73105 · 405-521-3921 PRESS RELEASE | Attorney General Hunter Reminds Oklahomans Pri... 2 of 2 9/14/2021, 1:02 PM Gross Receipts Rise Sharply in April

Subject: Gross Receipts Rise Sharply in April From: "Oklahoma State Treasurer Randy McDaniel" <OKTREASURER@public.govdelivery.com> Date: 5/6/2021, 7:31 AM To: jabak27@gmail.com Having trouble viewing this email? View it as a Web page. For Immediate Release: May 6, 2021 Gross Receipts Rise Sharply in April Charts and graphs OKLAHOMA CITY – Gross Receipts to the Treasury jumped by more than 38 percent in April, driven by record oil and gas production tax collections along with increases in sales and income tax payments, State Treasurer Randy McDaniel

announced today. Collections from all sources in April total \$1.49 billion, up by \$413.2 million from April 2020. Some increase was expected because last April was the first full month of the pandemic and receipts were negatively impacted by a delay in the income tax filing deadline. Even so, the increase was not from income taxes only. Every major revenue stream rose by double-digit percentages, including a 73 percent boost in gross production taxes on oil and natural gas and a 32 percent surge in sales and use tax receipts. Combined individual and corporate income taxes grew by 36.4 percent for the month. "Oklahoma's economy was hitting on all cylinders in April, especially compared to where we were a year ago," Treasurer McDaniel said. "Consumer confidence is on the rise, reflecting growing optimism about the economy." The Oklahoma Business Conditions Index in April remained above growth neutral for a fifth consecutive month. The April index was set at 70.9, its highest level in 10 years. Numbers above 50 indicate economic expansion is expected during the next three to six months. April's gross production tax generated \$133.7 million, the highest monthly total in more than a decade. Collections for the month reflect oil field production during February when natural gas prices spiked during the record cold snap and crude oil prices were on the rise. Sales tax receipts not only exceeded collections from a year ago, but also topped those from April of 2019. Much of the increase is attributed to expenditure of federal stimulus payments, which pumped billions of dollars into the Oklahoma economy. Combined gross receipts from the past 12 months of \$13.56 billion are above collections from the previous 12 months by \$342.8 million, or 2.6 percent. The growth ends a one-year contraction in 12-month receipts.

Gross Receipts Rise Sharply in April

1 of 3 9/14/2021, 1:14 PM Employment picture The March unemployment rate in Oklahoma was reported as 4.2 percent, according to the U.S. Bureau of Labor Statistics. The state's jobless rate was down by two-tenths of a percentage point from February, but up from 3.2 percent in March 2020. The U.S. unemployment rate was set at 6 percent in March. April collections Compared to gross receipts from April 2020, collections in April 2021 show: Total April 2021 gross collections are \$1.49 billion, up \$413.2 million, or 38.3 percent. Gross income tax collections, a combination of individual and corporate income taxes, generated \$553.4 million, up by \$147.5 million, or 36.4 percent. Individual income tax collections are \$414.1 million, an increase of \$45.7 million, or 12.4 percent. Corporate collections are \$139.3 million, up by \$101.8 million, or 272.1 percent. Large monthly variances in corporate collections are not uncommon. Combined sales and use tax collections, including remittances on behalf of cities and counties, total \$568.1 million – up by \$137.6 million, or 32 percent. Sales tax collections total \$481.4 million, an increase of \$113.1 million, or 30.7 percent. Use tax receipts, collected on out-of-state purchases including internet sales, generated \$86.7 million, an increase of \$24.6 million, or 39.5 percent. Gross production taxes on oil and natural gas total \$133.7 million, an increase of \$73 million, or 120.3 percent. Motor vehicle taxes produced \$78.4 million, up by \$25.5 million, or 48 percent. Other collections composed of some 60 different sources including taxes on fuel, tobacco, medical marijuana, and alcoholic beverages, produced \$158.5 million – up by \$29.5 million, or 22.9 percent. The medical marijuana tax produced \$6.2 million, up by \$1.9 million, or 45 percent from April 2020. Twelve-month collections Combined gross receipts for past 12 months compared to the trailing 12 months show: Gross revenue totals \$13.56 billion. That is \$342.8 million, or 2.6 percent, above collections from the previous period. Gross income taxes generated \$4.91 billion, an increase of \$525.1 million, or 12 percent. Individual income tax collections total \$4.17 billion, up by \$313.2 million, or 8.1 percent. Corporate collections are \$736.6 million, an increase of \$211.9 million, or 40.4 percent. Combined sales

and use taxes generated \$5.66 billion, an increase of \$138.7 million, or 2.5 percent. Gross sales tax receipts total \$4.82 billion, up by \$28.4 million, or 0.6 percent. Use tax collections generated \$840.2 million, an increase of \$110.4 million, or 15.1 percent. Oil and gas gross production tax collections generated \$645.3 million, down by \$312.1 million, or 32.6 percent. Gross Receipts Rise Sharply in April 2 of 3 9/14/2021, 1:14 PM

This email was sent to jabak27@gmail.com using GovDelivery Communications Cloud on behalf of: Oklahoma Office of State Treasurer · 2300 N. Lincoln Blvd., Room 217 · Oklahoma City, OK

73105 Motor vehicle collections total \$801.8 million, an increase of \$23.6 million, or 3 percent. Other sources generated \$1.55 billion, down by \$32.6 million, or 2.1 percent. Medical marijuana taxes generated \$64.8 million, up by \$29.3 million, or 82.4 percent. About Gross Receipts to the Treasury The monthly Gross Receipts to the Treasury report, developed by the state treasurer's office, provides a timely and broad view of the state's economy. It is released in conjunction with the General Revenue Fund report from the Office of Management and Enterprise Services, which provides information to state agencies for budgetary planning purposes. The General Revenue Fund, the state's main operating account, receives less than half of the state's gross receipts with the remainder paid in rebates and refunds, remitted to cities and counties, and apportioned to other state funds. # # # For more information contact:

From: Hermien Terpstra6212 E 77th StTulsa, OK 74136

Dear Commissioner,

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

Message Body

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Dear Commission I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older and disadvantaged Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of finding efficiencies. I know with your help, we can push back against these outlandish requests, especially during the pandemic, when all industries and individuals are having to do more with less. Say no to PSO. Thank you, Eric Sachau

Message: :

Commissioner Murphy, Please do not allow PSO to raise their rates. Too many of us lost our jobs due to covid - and being age 65 does not make it easy to find work in Tulsa in oil and gas. Truly this is NOT a time for them to request an increase and like their customers, they need to figure out ways to make things work on the fees they are charging. I could go on and on but want my request to be heard by you. YOU can make a difference for us and we appreciate your representation on things like this. The economy is struggling. Please do not allow PSO to make this extreme increase in rates as we are all doing the best we can with what we have. Thank you.

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Johnny Vinson

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Paul & Eleanor Mullen
8246 So. 73rd East Ave.
Tulsa OK, 74133-4201

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Karen Goodson

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Laura Miller
13163 E 80TH ST N

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Dennis Choate

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Donald Hink

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Rev. Leitch

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Sandra Smith

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Robert Flynn

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Gayla Wolfe

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Arlene Daniels

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Diane Horn

With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Cynthia Scott

My family and I have been in Elgin for over 2 years and have NEVER had this high of a bill. Of a family of 4 in a less than 1,200 square foot home I shouldn't be paying \$250 a month in electricity. It's not even as hot this year as it was last year and I am still paying DOUBLE than I did.

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Vickie Lahman

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and say no to PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine. I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please say no to PSO's rate increase and, instead, look for ways to lower our rates.

Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Mary Perkins
