COURT CLERK'S OFFICE - OKC
CORPORATION COMMISSION
OF OKLAHOMA

PUBLIC COMMENT

[if IEMobile 7]> <style type="text/css"> </style> <![endif]

Dear Ms. Murphy

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Gas, groceries, and medication prices are going through the roof. Now I hear my> PSO to do the same without placing the burden on me.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Sincerely,

Carmen Cooper

By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Why is PSO's fixed monthly rate so high? I was astounded to learn this fact! I also question why rate payers have to ALWAYS foot the bill for seasonal increases while never receiving credits for mild weather.

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

Dear Ms. Murphy

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

My roof leaks, heat and air have now both gone out in my 1995 mobile home.

I was just informed on December 1st my lot rent for my mobile home has increased by \$20 per month.

As it currently stands I have only \$161 per month w for food and gas for my old 2004 GMC Envoy that's currently needing to have radiator hoses and exhaust m! anifold replaced along with the mid gate latch to raise back window; racoons have put bags of garbage in my car twice already.

Please!!!! I am a disabled widow of a veteran who passed away October 2015. I cannot afford higher utilities, a roof, replace the central heat and air, or replace my old Envoy, or the parts and labor to fix it.

I only eat once a day now! On medication and have to put something on my stomach and groceries are extremely costly too!!

Please, Please ????? Help stop this insanity of higher prices for everything or else the government is going to have to release another super bug and kill off a bunch more people, cause there's so many in need of help!

I'm happy to discuss these issues with you. Feel free to call me anytime at (918) 964-6599.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Gas, groceries, and medication prices are going through the roof. The City of Tulsa water is OUT OF CONTROL the rates and service is horrible by any standard. The crime that's taking place all over our neighborhoods is costing the elderly like myself because there is NO ACTION being taken. The homeless camps are using our water our electric. Now I hear my home heating bills could double this winter. I am on a soc security budget which by the way HAS NOT increased even a quarter of what inflation has such as groceries and gasoline when you add ALL of this together I'm at a loss on trying to determine how to make my budget balance just to stay in MY HOME and NOT starve or freeze or have heat exhaustion which ever the season may be. I need PSO to do something for is ELDERLY ON FIXED INCOMES without placing the burden on us.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Dear Ms. Murphy

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Sincerely,

Sabrina Davis

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Sincerely,

Roger Kelley

Dear Ms. Murphy

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Sincerely,

SUSAN BRINLEE
530 OAK ST

Dear Ms. Murphy

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Sincerely,

Linda Lish

Gas, groceries, and medication prices are going through the roof. Now I hear my home heating bills could double this winter. I am trying to determine how to make my budget balance.

I need PSO to do the same without placing the burden on me.

Commissioner, now is the time to help older Oklahomans, especially those on fixed incomes. You have the ability to keep the lights on for thousands of Oklahomans. I hope you can find it in your heart to do the right thing and protect us from PSO's high rates and fees.

Sincerely,

Marsha Miner

Dear Ms. Murphy

I need your help to stop PSO from raising my utility rates. I am asking you to reject PSO's rate increase request and to lower the fixed monthly charge. I should not have to pay \$20 a month before I flip a switch, while customers in Texas pay less than \$5 a month for the same charge. By rejecting PSO's requested rate increase and lowering the fixed monthly charge, you can help me, as well as thousands of Oklahomans, better afford our electricity.

Dear Ms. Murphy

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Gale Turner

I am asking you to protect the thousands of older Oklahomans on fixed incomes and reject PSO's latest attempts to raise rates. With the fall-out of the winter storm looming, older Oklahomans simply cannot afford back-to-back rate increases. I need your help. I need you to stand up for older Oklahomans already stretched thin from the rapidly rising cost of groceries, gasoline and medicine.

I need you to stand up to this out-of-state investor-led company and let them know back-to-back rate increases are not how we treat our fellow Oklahomans. It seems like every year they want me to shoulder more and more instead of using their own money or finding efficiencies. I know with your help, we can push back against these outlandish requests, especially with everything going on.

I cannot emphasize enough that many seniors across Oklahoma are on fixed incomes and are struggling. Right now, too many seniors are forced to choose between food, medicine and electricity. This must stop!

Commissioner, please help us fight back against PSO's back-to-back requests to raise our rates. Please reject PSO's rate increase and, instead, look for ways to lower our rates. Thank you for taking into consideration the detrimental impacts another rate increase will have on too many Oklahomans. Thank you for saying no to PSO!

Sincerely,

Mary Everhart
