APPLICATION

c. By Order No. 180128, dated November 26, 1980, this Commission established 160-acre drilling and spacing units for the Hunton common source of supply underlying all of Section 11, Township 7 South, Range 1 West, Love County, Oklahoma. Since the date of said Order, there has been a substantial change in conditions or a substantial change in the knowledge of conditions in the area which necessitates vacating Order No. 180128 insofar as it pertains to the Hunton common source of supply underlying all of Section 11, Township 7 South, Range 1 West, Love County, Oklahoma.

d. By Order No. 617759, dated November 4, 2013, this Commission established a 640-acre drilling and spacing unit for the Caney, Woodford, Hunton and Sylvan common sources of supply underlying Section 2, Township 7 South, Range 1 West, Love County, Oklahoma, and Order No. 617759 should be extended to include within its purview the Caney, Woodford, Hunton and Sylvan common sources of supply underlying Section 11, Township 7 South, Range 1 West, Love County, Oklahoma.

e. The permitted well for the drilling and spacing unit requested herein is necessary to effectively and efficiently drain the portion of the common sources of supply (reservoir) covered by the drilling and spacing unit, there being no existing well within the drilling and spacing unit which can effectively and efficiently drain the portion of the common sources of supply (reservoir) covered by the drilling and spacing unit.

3. Legal Authority: Title 52, Section 87.1, O.S.

4. Relief Sought: Applicant requests that the Commission enter an Order granting the following relief:

- a) vacating Order No. 180128 insofar as it pertains to the Hunton common source of supply underlying all of Section 11, Township 7 South, Range 1 West, Love County, Oklahoma; and,
- b) extending Order No. 617759 to include within its purview the Caney, Woodford, Hunton and Sylvan common sources of supply underlying Section 11, Township 7 South, Range 1 West, Love County, Oklahoma,

with the unit to consist of a governmental section, and the permitted well for the unit to be located not less than 1,320 feet from said unit boundary.

5. Applicant further requests that the Order to be entered in this cause be made effective on a date prior to the date of the Order.
