LANDS COVERED: SECTION 33, TOWNSHIP 6 NORTH,
RANGE 8 WEST, GRADY COUNTY, OKLAHOMA

APPLICATION

COMES NOW the Applicant, EOG Resources, Inc, and shows the Honorable Corporation Commission the following:

1. PARTIES:

1.1 Applicant is: EOG Resources, Inc
3817 N.W. Expressway, Suite 500
Oklahoma City, OK 73112-1483

1.2 Respondents are set out on the Exhibit "A" attached hereto and made a part hereof.

2. ALLEGATION OF FACTS:

2.1 That heretofore by an Order to be entered in Cause CD No. 201 400612, this Commission established Section 33-6N-8W, Grady County, Oklahoma, as a 640-acre horizontal drilling and spacing unit for the production of hydrocarbons from the Hoxbar common source of supply.

2.2 Applicant is the owner of an interest in oil and gas leases covering a portion of said drilling and spacing unit. Applicant proposes to drill a well at a legal location in said drilling and spacing unit to a depth sufficient to test the common source of supply named above in paragraph 2.1, said well to be the permitted well for the drilling and spacing unit. Further, Applicant proposes to designate itself or another party as operator.

2.3 The parties named as respondents may be the owners of a right to drill to and produce from the spaced formations named above underlying Section 33-6N-8W, Grady County, Oklahoma. Applicant exercised due diligence to locate each respondent and a bona fide effort was made to reach an agreement with each such respondent as to how the unit would be developed. Said respondents have not agreed to pool and develop their land or interests in the unit as a unit.

3. LEGAL AUTHORITY: Title 52 O.S.A. §87.1.

4. RELIEF SOUGHT: That the Commission pool the interests and adjudicate the rights and equities of oil and gas owners in the Hoxbar common source of supply underlying Section 33-6N-8W, Grady County, Oklahoma, all to be upon such terms and conditions as are just and reasonable and will afford all of the owners the opportunity to recover or receive without unnecessary expense, their just and fair share of all hydrocarbon substances produced therefrom, and that the Commission make definite provision for the payment of all actual costs and expenses of drilling and development, including a reasonable charge for supervision.

WHEREFORE, Applicant prays that after due notice and hearing as required by law, the Commission should enter an order adjudicating the rights and equities and pooling the interests of all owners in the unit, and designating the Applicant or some other party as operator.
