To Whom It May Concern,

We have approved the transfer of 11 wells on the attached 1073MW from Parsons Engineering Corporation (16051) to Shields Operating Inc (20721). The two wells that are lined through were not transferred and the reason is noted.

Shields Operating Inc will need to file and amended 1002A within 30 days for the Yale/Cleveland #16 showing the current status. This is a terminated injection well.

Sincerely,
Janie Hlinicky
