RE: John Horton #2  
API # 141-20452  
Tillman County, Oklahoma

Dear Jan:

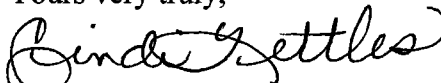

Pursuant to our phone conversation today, enclosed are the Notification of Well Spud (Form 1001A) and the Transfer of Operator (Form 1073) for the John Horton #2 well. Mr. Bill Stephens verbally notified the Commission of the intent to spud prior to the spud date of the well. Will you please forward the Transfer of Operator form to Neva for me?

As I told you on the phone, we have not worked Oklahoma before and it is a "learning experience". However, we will be getting all in the forms in timely on future wells.

If you have any questions, please give me a call at (713) 881-9039.

Yours very truly,

Cindi Nettles
