Subject: Mass Well Transfer
Attachments: Postrock Mass Transfer_08112016.pdf

To Whom It May Concern,

We have approved the transfer of 251 wells on the attached list from Postrock Midcontinent Production LLC (21509) to River Rock Operating LLC (23862). The lined through wells were not transferred and need to be submitted on form 1073I since they are injection wells. Images of the approved form will be available online as soon as possible.

River Rock will need to file a 1002A within 30 days for (I was unable to locate one):
