To Whom It May Concern,

We have approved the transfer of 1,193 wells on the attached list from CEP Mid-Continent LLC (22193) to Gateway Resources USA Inc (18192). The lined through wells were not transferred. Images of the approved form will be available online as soon as possible.

I have also attached a spreadsheet for Gateway Resources. These 20 wells need to have a 1002A filed on them within 30 days.

Sincerely,
Janie Hlinicky
