I am pleased to inform you that the From 1073 Multi-Well list that you submitted has been processed with the following exception:

> API #35-139-00336 & #35-139-64702 as indicated on your list were duplicates. **They were not transferred** but were fixed so that they would not show as a duplicate on your surety.

There were a total of 108 wells transferred from Anadarko E & P Onshore LLC (388) to Merit Energy Company (18934). The approved forms will be imaged soon and you will be able to get copies from our website.

There are several that need an amended or corrected 1002A because the footages did not match the spot calls or footages were in conflict with other records. They are:

1) 35-139-00112 Tucker 1-17
2) 35-139-00171 Beasley 2-26
3) 35-139-00214 Shaffer-B 2-13
4) 35-139-01144 Loring 1-31
5) 35-139-01271 Tucker 1-11
6) 35-139-01485 Klapmeyer 1-25
7) 35-139-01494 Limbacher 1-35
8) 35-139-01510 Mobray 1-28

There were 3 that had the numbers listed incorrectly:
